

Judicial Record Consent Form

Since good character is a requirement for membership in Eta Kappa Nu, we do, and have in the past, checked the WPI judicial records of our candidates. Those with problems involving character, particularly academic dishonesty problems, are generally declined for membership.

However, we will not run this check if you desire to maintain your privacy. If you choose not to have this check run, that's fine. However, you will not be considered for membership.

Please sign below to grant the leadership of Eta Kappa Nu permission to examine the contents of your judicial record.

Please put all of your forms in an envelope with your name on it and place it in the HKN mailbox in the ECE office, ATTN: Daniel Jennings.

"I voluntarily waive my right to privacy and give WPI permission to share the contents of my judicial record with the leadership of Eta Kappa Nu for the purpose of determining my eligibility for membership in Eta Kappa Nu."
